PLENTY OF AMUSEMENT IN TOWN THIS WEEK

Crowds Divided Between Carnival Grounds and Other Attractions.

There is plenty going on in Tempe this week and no one need claim a lack of something to do. In addition to the usual holiday rush Easley's Old English Pleasure Fair company is holding forth on the Tegel lots next to Laird & Dines drug store. On Monday and Tuesday night, it divided crowds with Edward Adams (cantrell) the socialist speaker at the opera house. Last night there was the usual mid week picture show and the carnival. Tonight there will be the Merchants meeting and tomorrow night the picture show and dance at the Cosmopolitan hall and a picture show again Saturday night at the opera house. The unusual cold weather has not brought out very big crowds to any of the affairs for when it does get cold in Arizona, most people show a strong inclination to hug the fire.

NO INVITATIONS.
The Hurling Knights of Woodcraft, who are giving the dance tomorrow evening at the Cosmopolitan Hall, have not issued any invitations to it. They want it understood, however, that a cordial general invitation is extended to the public to be on hand and enjoy the evening.

COLDS CAUSE HEADACHE.
LAXATIVE, PROMOTING QUININE, the world wide Cold and Grip remedy removes cause. Call for full name. Look for signature E. W. GROVE. 25c.

OVER FROM PHOENIX.
Chas. P. Munger, of Munger Bros. of Phoenix, was a visitor on the south side yesterday placing an extra quantity of "The Olive Brand" with the merchants for holiday trade.

FROM LONG BEACH.
Major T. C. Jordan of Long Beach has been here for a few days visiting his daughter, Mrs. A. J. Peters. He expects also to look over his mining interests in Yavapai county before returning home.

OPEN EVENINGS.
To give Christmas buyers an opportunity to do some of their shopping in the evening, most of Tempe's stores will remain open a couple of hours each evening the rest of this week.

ELECTED OFFICERS.
The Ladies of the Macabees of the World, meeting in regular session Tuesday afternoon elected the following officers: Commander, Florence Clark; Lieutenant Commander, Carrie Matthews; Past Commander, Melissa Strong; Chaplain, Margaret Ellingson; Record Keeper, Florence Finch; Finance Auditor, Nora E. Cash; Lady at Arms, Hortense Jones; Sergeant, Alice Fogal; Sentinel, Emily Teeter; Pickett, Mary Mower; Official Prompter and Musical Director, Josephine Frankenberg; Captain of the Guard, Della Miller; First color bearer, Sophia Olsen.

NEW MEMBERS.

The local Knights of Pythias lodge is just bringing to a close another membership contest for cash prizes amounting to \$100 that was offered a few weeks ago by Gen. Royer on the occasion of his visit here. Dan Rowland and Henry Sanborn are now running a close race for new members and the indications are that the money will be divided between those two.

WILL MEET TONIGHT.

An important meeting of the merchants association has been called for tonight. It is the day of the regular weekly meeting but there are some matters of unusual importance to come up this evening and a full attendance of all members is especially urged.

EXPECTED HOME.

Supt. J. B. Cook of the Pacific Creamery Company, who has been in Chicago and other eastern points for several weeks on business matters, is expected home within a few days.

HAS NEW PIANO.

The Epworth League of the M. E. church has just received a new \$400 piano from an Eastern firm. The instrument arrived yesterday, just in time to be of service for the holidays.

THE RUSH SEASON.

This is the rush season at the post office and the office force is kept busy handling the out going packages. The incoming mail has not increased a great deal as yet but will begin to pile up from now on until after Christmas. Attention is called to the fact that packages of ordinary size may be mailed at the drop box any time before 7:15 in the evening and will be dispatched that same evening. Larger packages will have to be handed in at the window before the office closes. Packages may be registered until six o'clock.

WILL CELEBRATE.

Preparations are being made for the Christmas celebration at the stockade. Work will be called off Christmas day and a genuine Christmas dinner will be served to the prisoners. In the afternoon there will be a baseball game.

FROM LONG BEACH.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all druggists.

LODGE WOMEN GAVE THEIR YEARLY DANCE

Many Young People Attended Pleasant Social Function held at Mesa City Tuesday Evening.

The ladies of Mesquite grove, Woodman circle, Mesa, gave their annual holiday-week dance on Tuesday night at K. P. hall. There have been dances when the attendance was larger, but the young people taking part in the dance of Tuesday night are confirmed in their opinion that there was never before one in which everybody had a better time or more thoroughly enjoyed the occasion. Music was furnished by the Collins orchestra, and from the time of the first number until after 12 o'clock the floor was constantly filled with a gay throng of Mesa's young gentlemen and ladies, enjoying the delights of waltz, two-step and polka. The lady managers were careful that every guest should have all the polite attention that makes for much at a gathering of the kind. The financial receipts were satisfactory, and it is probable that the circle will have another dance within the next two or three months.

THE GAUT SALE.

Owing to a generally disagreeable condition of the weather, the sale advertised for disposal of the real and personal property of John A. Gaut, living southeast of town, was not so well attended as was anticipated. The sale was called, however, and the ranch was bid in by Fred C. Weekes, manager of the Mesa Dairy & Ice Co. A considerable portion of the personal property, such as horses and farm implement, were sold, and some of the dairy cows were also sold. Mr. Gaut, however, has a quantity of the property still on hand, which may be made the basis of a future sale.

TO ACCOMMODATE PATRONS.

Charley Blakely announces that on Sunday he will be at the Mesa post-office from 10 to 11 a. m. for the purpose of delivering mail to any of the patrons of the rural route who may call. This is to accommodate those who are expecting Christmas packages. On account of the heavy mail at this season of the year, the postoffice employees are certainly earning their salaries.

A MESA SUBURB.

The town of Chandler has been surveyed and is now on the map of Maricopa county. This new enterprise is located in a central portion of a tract of land containing 18,000 acres, belonging to the Chandler company—a part of the great Chandler ranch. Located in the reclamation

area, the government does not allow one man to retain more than 160 acres for his own use, and hence these lands have been placed upon the market, and are being sold in lots to suit purchasers. The farm tracts are located around the town-site reservation, and have been meeting with a ready sale to home-seekers. Ten-year payments are allowed purchasers, which is favorable for the small capitalist and helps to hasten the settlement of the lands by actual home-builders. A branch of the Arizona Eastern railroad connects Mesa with the townsite of Chandler and extends to the Pinal county line, eleven miles south.

Sales are reported at the Chandler office in Mesa as follows:

Wm. L. Adams, 40 acres; A. B. Barnes, 40 acres; A. M. Biggart, 20; W. G. Brown, 40; Philip R. Brown, 40; J. H. Childs, 40; G. H. Carlson, 40; H. Channani, 10; G. E. Day, 20; E. W. Hanna, 40; J. W. Heffner, 40; J. Hufstuler, 20; W. L. Haskell, 80; O. H. Munce, 50; H. M. Kirwin, 20; Otto S. Lewis, 40; H. H. Lohmes, 40; W. J. Lenke, 120; H. G. Littlejohn, 40; E. E. Morrison, 40; Emmett Murphy, 10; J. E. Owen, 40; W. G. Roche, 20; J. T. Reese, 20; A. T. Rogers, 20; S. Sloan, 20; E. C. Rogers, 20; J. A. Carter, 20; August Kreidt, 20; O. F. Hedgen, 40; Cleve H. Howell, 40; Louis Maxwell, 20; R. P. Jaycock, 10; Albert Wood, 20; R. C. Hubbell, 60; Dr. Fellows, 120; R. E. Jones, 20.

Quite a number of the buyers are from California; others from western and middle west states, and one from the Panama Canal zone, being one of the employees on the big canal.

The settlement of all these lands, with the erection of homes and the advent of families, will add materially to the population of the south side, increase business at Mesa, the supply point and nearest commercial center, and help to build up the new state of Arizona.

CHRISTMAS TREE.

The members of the Christian church will give the Sunday school pupils a Christmas tree and entertainment on Saturday night. An excellent program is being prepared and the friends of the church are invited to be present and see the tree and hear the exercises.

SUNDAY SCHOOL ENTERTAINMENT.

The combined Sunday schools of the Maricopa stake, Latter-day Saints, will give an entertainment at the Mesa opera house on Christmas night. This promises to be a most interesting event, and the public generally will be invited.

Low temperature is again the rule, and for the past two mornings a genuine old-fashioned hoar-frost has covered the ground. The mercury has not gone quite low enough to alarm owners of young trees, but they are keeping a close watch on the thermometer and the smudge pans handy. The following is the observer's report:

Particularly the Ladies.

Not only pleasant and refreshing to the taste, but gently cleansing and sweetening to the system, Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and dispels colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

There is a shrine whose golden gate was opened by the hand of God. It stands serene, inviolate. Though millions have its pavement trod; As fresh as when the first sunrise Awoke the lark in Paradise.
